Production Update (July 1)

Dear Partner,

We would like to provide you with an update on our current production and delivery schedule.

Current Production

Due to a large backlog of orders, our current delivery time is **up to 6 weeks**.

We are currently producing Pala Recipes, Pala Naturals and Chews.

Recipe #4 (Rabbit, Herring & Salmon) remains temporarily unavailable. We will provide an update as soon as production resumes.

Pala Treats

We currently expect Pala Treats to return later this summer.

We sincerely apologise for the inconvenience and appreciate your patience while we work to restore full production.

Ordering & Delivery

Please note that delivery time for all new orders is currently up to 6 weeks due to the high volume of orders we are processing.

Thank you for your continued cooperation and understanding. If you have any questions, please don't hesitate to get in touch.
